1800 number and TV ad

Our 1800 television advertisement was filmed today at the Caloundra Aquatic Centre. Swimmers from 11 clubs were included in the filming. The advertisements will be going to air over the next few days.

John Wallace is organizing the screen printer and will email details shortly.

Each club hosting a meet needs to include a full page advertisement in their program. Ken Mills marketing team are designing this page which will be emailed out soon.

Please remember to support Ken Mills Toyota as we would love to have them on board again next year. If you have not yet sent your contact details to Di Feldman please do so and remember to have your membership packages ready. We are so lucky to have this wonderful opportunity to have the advertisements screen.

Special thanks to Ken Mills Toyota, Swimming Queensland and John Wallace for making this possible.

Swimming QLD AGM

Does anyone want to car pool to the SQ AGM? If so, please email jessicawatson@widebayswimming.org.au

Psych Sheets

Clubs are reminded that they can have their meet psych sheets put on the WB website. This dramatically reduces enquiries received at the start of a meet.

Swimmers & Parents please remember to check the website for psych sheets, why wait until the day to see what you're entered in.

Super Camp

Achievers and Early Achievers squad camp information has been sent to each of the squad swimmers. Please return your reply by the closing date indicated on the letter of invitation. Please remember it is important to reply as future invitations are not extended to swimmers who do not reply. Squad names are on the website along with the selection criteria. If you are concerned a swimmer has not been included please contact Michele or Donna.
