to help continue Dr June Canavan's
"Klocking up the K's" for
The School of St Jude in Tanzania.

Queensland Swimming is supporting Tessa Wallace (QAS Target Squad) and the Caloundra Aquatic Lifestyle Centre with a "Mercantile Relay" **fun** day on **Sunday 4 October 2009**.

The relay is scheduled to commence at **12.00n**.

Popular radio station Mix FM will be at the event from 11.00am—2.00pm with live crosses, a bbq and assisting with fundraising leading up to and on the day. The format of the relay will be for teams of 3 to pay an entry fee of \$50.00 and then a volunteer swimmer will be selected to join that team OR enter your own team of 4. You may also have the option of donating extra for a high profile athlete or identity. Each person is to complete 50 metres in any way and the closest team to their total nominated time wins.

Remember this is not a race — prepare your team for a fun event. Prizes will be awarded.
